A screenshot of a web browser window showing the Oracle Java SE Downloads page. The browser's address bar displays 'www.oracle.com/technetwork/java/javase/downloads/index.html'. The page features a navigation menu on the left with links like 'JavaFX', 'Java DB', and 'Java Magazine'. The main content area has four large buttons for 'Java Platform (JDK) 7u2', 'JavaFX 2.0.2', 'JDK 7u2 + NetBeans Bundle JDK 7u1 + Java EE Bundle', and 'Java EE'. Below these, a section titled 'Here are the Java SE downloads in detail:' contains a table for 'Java Platform, Standard Edition'. The table has columns for 'Java SE 7u2', 'JDK', and 'JRE'. The 'JDK' column has a 'Download' button circled in red. The 'JRE' column also has a 'Download' button. To the right of the table is a sidebar with 'Java Resources' and a 'Java magazine' subscription offer.
